

Wing's Restaurant relocated to Manchester city centre from Cheadle Hulme in 2004.

Since opening in Lincoln Square, the family run restaurant has welcomed guests to enjoy its contemporary Cantonese food and exceptional service.

In 2024 after being open for 20 years, the restaurant underwent a full renovation to progress onto its next phase with a new aesthetic and name. Welcome to Wing's Lincoln Square.

Named after the location it has taken root in over the past 2 decades, Wing's Lincoln Square will continue to provide an intimate dining experience in the bustling city of Manchester.

Tradition and heritage continue to be the heart of our menu and our specially tailored wine list. Our curated dishes and sauces are made from original recipes along with our in-house freshly handmade dim sum and pancakes.

We hope you enjoy the culmination of our experience and cultural milieu that has brought us to our new chapter.

If you have a food allergy or a special dietary requirement,
